Discover this charming chalet in La Massana, located just a few steps from the center and close to services and schools. The property occupies two plots with a total area of 722 m², while the chalet itself has approximately 237.14 m². Here you can enjoy the tranquility of an almost secluded environment while maintaining a central location. On the main floor, you enter through a foyer with heated flooring. You will find a spacious and cozy living-dining room with access to a terrace, and a functional kitchen integrated into the same space, with access to the garden that surrounds the house. Outside, you will enjoy the different corners of this garden with spectacular views of La Massana, Casamanya, and its valley. The southeast orientation allows you to enjoy the sun in the morning and much of the day, ideal for family moments. There is also a pantry and a guest toilet for added convenience. On the upper floor, the fourth, you will find three bedrooms: a master suite, a double bedroom, and a single bedroom, as well as an additional full bathroom. On the second floor, there is a room with a private bathroom, ideal for guests or as a quiet workspace. The garage level accommodates two medium-sized vehicles and is equipped with a work area and storage, along with the heating system facilities.
