This magnificent new-build apartment, still under construction, is located next to the main commercial avenue of La Massana, in a family-friendly residential area near the community pool and tennis courts, very quiet and perfectly connected. It has all the necessary services at hand and is just 400 meters from the gondola that provides access to the ski slopes of the Pal-Arinsal domain. The apartment has 100m² distributed in a large living-dining room with access to a 6m² terrace, a spacious kitchen integrated into the dining area, equipped with high-end appliances. In the rest area, there is 1 bedroom en suite with a full bathroom and built-in wardrobes. There is also a second full bathroom. The property comes with a parking space in the same building. Facing east, the apartment enjoys sunlight from the early hours of the day until mid-afternoon, and has views of the Camí Ral, along with the river and the valley of La Massana. This exclusive apartment, perfectly situated, is an excellent investment for a family looking for a prestigious residence in the center of a city with the dynamism of La Massana and wants to enjoy its wide range of activities with all the necessary space and amenities.
